Sub: Installation of CPAN NOC at Ernakulam co-located at Panampilly Nagar

Sir,

It is learnt that a NOC for the CPAN Kerala is going to be established in Kerala Circle shortly. The main consumer for the CPAN network is Mobile Services and hence it is better to commission the proposed NOC at Panampilly nagar TE under the control of Mobile Services wing. Sufficient space and furniture is available in the adjacent area to the ongoing integrated OMCR room in second floor of Panampilly nagar Telephone Exchange. To our understanding to begin with, one staff each from RP.Installation and OMCR wings can be marked for the proposed CPAN NOC if it is collocated with OMCR Panampilly nagar. More staff can be attached from MS installation wing when the ongoing MS expansion phase is completed. If the CPAN NOC is co-located with OMCR which is manned round the clock, continuous communication can be ensured between these units to resolve the issues arising from packet flooding etc in an effective manner . Ernakulam being a centralised location, operations and manning the station will be most convenient to any other locations.

Sincerely Yours

T SanthoshKumar
